Sexuality Education Web Resources

For Serving Children and Youth Who are Deaf-Blind and/or have Significant Disabilities

The Sexuality Information and Education Council of the U.S. (SIECUS) www.siecus.org
SIECUS is a national, nonprofit organization that affirms that sexuality is a natural and healthy part of living. Incorporated in 1964, SIECUS develops, collects, and disseminates information, promotes comprehensive education about sexuality, and advocates the right of individuals to make responsible sexual choices.

The Sexual Health Network
http://www.drmitchelltepper.com/sexual_health_network
The Sexual Health Network is dedicated to providing easy access to sexuality information, education, mutual support, counseling, therapy, healthcare, products and other resources for people with disabilities, illness, or natural changes throughout the lifecycle and those who love them or care for them.

Introduction to Sexuality Education for Individuals Who Are Deaf-Blind and Significantly Developmentally Delayed https://nationaldb.org/library/page/792
By Kate Moss and Robbie Blaha. Monmouth, Oregon: DB-LINK, 2001. A book for parents and professionals that offers information and instructional guidance for delivering sex education to deaf-blind students who also have cognitive disabilities. Issues of self-expression related to gender identity, modesty, and appropriate touch are discussed. Specific instruction is included for menstruation, masturbation, hygiene, health, and sexual abuse. This document also available on CD-ROM.

Taking the Fear Out of Sex Education http://www.sfsu.edu/~cadbs/Summer97.html
