

OPPORTUNITY

1. Accessibility
2. Reactive/responsive environment
3. Dignity of risk

SELF-IMAGE/ SELF CONCEPT

What does the act of success yield?

- Joy/happiness completion
- Control/confidence
- Empowerment
- Efficacy
- Independence
- Sense of self/group

A Model of Self-Determination

SKILLS

Levels and supports for self-determination:

1. Independent behavior (causal agent): Independent in accessing opportunities for self-determination.
2. Human supports (proxy agent): Support that helps the individual access opportunities for self-determination.
3. Environmental agents: Accommodations and adaptations that are engineered to support self-determination.

REINFORCEMENT

What does the student experience and gain that makes them want to engage in the activity again?
